

# Norfolk Triumph Scatter Treasure Hunt for Drive it Day, Sunday 25th April 2021

A 50 mile (approx) drive around mid Norfolk visiting sites and places of special interest you might not otherwise see.

You will need a camera/mobile phone camera, mask, road map and a SatNav would be a distinct advantage. There aren't any start or finish points. Rather you choose the order in which you do the route. Hopefully this will keep the numbers down at any one venue at any one time. **Important! You need to arrive at your chosen start point between 10 and 10.30am.** There will be a short walk at each stop point to find the answers to the clues.

This is not a timed event, rather an enjoyable amble through the Norfolk countryside and we urge you to take the time to explore the places of interest we have chosen.

Some roads are narrow with blind bends. Please be careful of horses, cyclists and walkers.

We advise entrants not to bunch up or form convoys and to respect other road users.

Points will be awarded as follows:

Correct answer: 3pts per clue

Photographing your car at any one stop point: 3pts (points only given once)

Photographing another Triumph/Classic at any stop point: 3pts for each different car. Each car only allowed once.

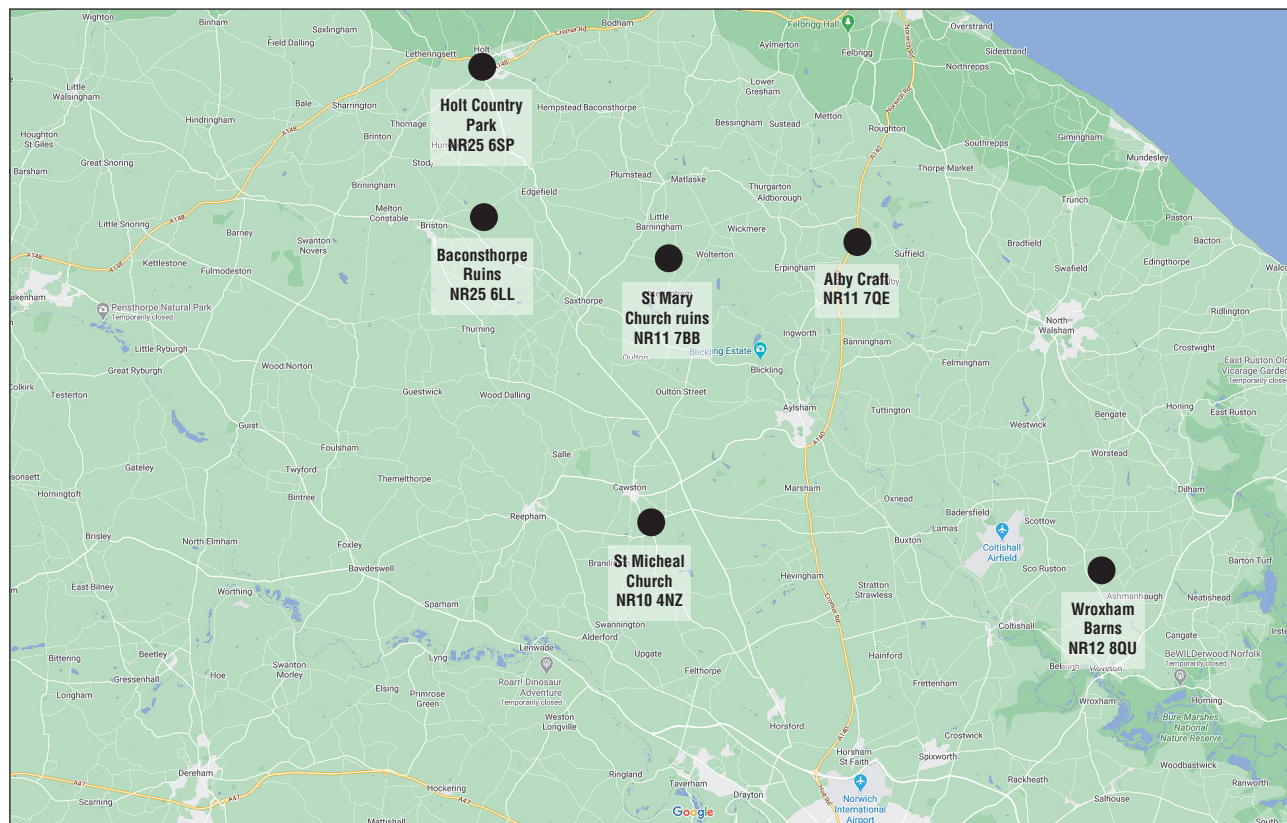

Photographing (by your passenger obviously) another Triumph/Classic whilst driving: 5pts for each different car.

**If you see anybody else at one of the stop points, please practice social distancing and adhere to the rule of 6.**

Help support local outlets - Wroxham Barns, Alby Craft Centre and Holt Country park stops all have tea shops and toilets. There are also plenty of spots for a picnic.

TSSC members - Don't forget to capture your own Triumph in a place of interest to be entered into the TSSC HQ competition!

And, most importantly enjoy ;-)

### On completion:

I hope you enjoyed the drive and enjoyed some of the stop off points. Please email your answers and any photos to: paul.norfolktriumph@gmail.com.

TSSC members don't forget to post your best pic onto the TSSC main page to enter their Drive It Day competition.

Looking forward to seeing a nice selection of photos!

Please note, I would like to be able to use any photos to advertise TSSC Norfolk and future events (non commercial). Please let me know if you don't want your photos to be used.

### **Covid risk assessment.**

To reduce the risk of initial “bunching”, a selection of six possible start points, combined with a variable start time should negate any “bunching” up at the start.

Each venue chosen allows for safe social distancing without any need to enter any buildings.

With three cafe/toilet stops there isn't any obvious finishing point which might encourage “bunching” at the end of the rally.

**If you see anybody else at one of the stop points, please practice social distancing and adhere to the rule of 6.**
